

To Members of the California State Senate:

I am returning SB 960 without my signature.

This bill requires the Department of Toxic Substance Control to post on its website information it already has posted and link to sites it already links to. Referencing these sites in statute is duplicative and will limit discretion of the Director to find the best most relevant sites in which to provide links so that businesses and consumers have access to the most current and useful data.

Sincerely,

Arnold Schwarzenegger
